Dear Friend:

For over 25 years, the Adventurers of Austin, Texas have organized educational and recreational activities for youth and adults with special needs in the Austin, Texas area. Our mission is to help those we serve develop lifelong independence and achieve their full potential through educational, vocational, and community experiences.

In September 2012 the Adventurers launched the *Adventurers Academy of Lifelong Learning*. This new program provides educational, vocational, and community opportunities on a daily basis. Adults and youth with intellectual and developmental disabilities become more independent as they learn new skills, develop new interests, and become more involved in their community.

Every year we raise funds to make these experiences possible and this year, with the launch of the new Adventurers Academy, our needs are greater than ever. Will you help us?

We will hold our 5th annual Adventurers Spring Fest on May 11th from 11:00 AM - 6:00 PM at La Fuente's Restaurant in South Austin. Spring Fest is a celebration of the Adventurers with a silent auction, awesome live, local entertainment, food, and lots more fun activities. We are again asking our friends in the community to support the Adventurers efforts. You can help us in two ways:

- **Will you make an in-kind donation to our silent auction? Any merchandise, service, gift certificate you are able to donate will be greatly appreciated!**
- or
- **Make a monetary gift to help support the Academy and all our community experiences.**

**The Adventurers Academy is a 501(c)(3) tax exempt nonprofit organization.
All donations are tax deductible.**

We would greatly appreciate any support you can give the Adventurers and the Adventurers Academy of Lifelong Learning.
