Dear Friend,

The Adventurers Academy of Lifelong Learning is a 501(c)(3) nonprofit organization that works to help youth and adults with intellectual disabilities in the Austin, Texas area develop greater independence and achieve their full potential. Programs include daily continuing education opportunities at the Adventurers Academy, community outings, volunteering, overnight experiences, educational travel, and vocational training.

One of our most important fund raising events each year is Spring Fest, a fun, family-friendly event with live music, good food, and a silent auction. This year the 6th Annual Adventurers Spring Fest will be held Saturday, May 3. The location is still to be announced. We look forward to another great time and a large turnout.

Would you consider helping us in one of these ways?

- Make a donation to our silent auction. Any merchandise, service, gift certificate or other auctionable item will be greatly appreciated.
- Make a monetary gift to help support the Adventurers Academy and all our community-based activities.
- Become a Spring Fest Sponsor, with appropriate recognition in promotional materials, at the event, and on our website. Further details are available for those interested.

Thank you! Your support will make more Adventurers Academy experiences available to more Austin-area youth and adults with intellectual disabilities.

To make a silent auction donation,
Mail or email your Silent Auction Donor Form
Contact Diane at 512-443-4514 or
diane@austinadventurers.org

To make a monetary donation, mail it to
Adventurers Academy
7106 Shadywood Dr, Austin, TX 78745
(Please make checks payable to "Adventurers Academy")

To become a Spring Fest Sponsor, call Diane at 512-443-4514 to discuss details.

For more information about the Adventurers Academy, visit our website: www.austinadventurers.org

Sincerely,

Diane Mackey
